

# HACK<4>GOOD

**Looking for a way to support your community?**

**Springfield's annual app development competition is back!**

Hack 4 Good brings together teams of creatives to develop an app, or tackle a community project. Designers and developers have the opportunity to use their skills to create something meaningful and impactful, while also learning new skills and networking.

We cannot host this event without the support of our sponsors!

If your company would like to be a part of this weekend, please connect with our team.
